Know the Truth; Avoid Being Deceived! Pastor David Hope peels back the curtain of the American political system and exposes the truth behind many of the unbiblical forces that are attempting to hijack the county. From a biblical perspective, Hope analyzes many issues, such as...The government-forced redistribution of wealth; The politics of envy; The link between socialism and "social justice"; What Scripture says about an end-time transfer of the world's wealth; Why Americans must stand in defense of Israel. Freedom was given to us by God, and we must not let go of it at any cost! "This compelling work by David Hope aroused my passions. I found it inspirational and thought provoking, penned by a true patriot and lover of liberty! Inspirational, because it was packed full of encouragement to be all that we were created to be—to rise up and lay hold of our God-given destinies and to realize that Christians have all been endowed with gifts from above and given the great opportunity to be participants in the end-time harvest of souls. Thought provoking, because Reverend Hope clears away the confusion by wielding the sword of truth." Lee Short, Missionary to Mexico, Founder and president, Vida International
